40 Years of Dental Manufacturing

DCI was established over 40 years ago by the Spencer family as a parts company with the vision of providing dental components to the broader dental community, emphasizing quality and value at every step. Today, DCI is one of the world's largest and most trusted dental parts manufacturers.

Throughout its history, major equipment manufacturers and service technicians have relied on DCI, earning the company a strong reputation for reliability and value. With the expansion and launch of DCI Edge dental equipment and cabinetry in 2016, the DCI Edge brand is recognized as North America's fastest-growing and second-largest equipment manufacturer.

STRONGER TOGETHER

NSK *DCI Edge*

Our two brands have over 130 years of combined manufacturing experience and a reputation for reliability, craftsmanship, and service. We have a shared dedication to producing long-lasting, feature-rich products for our customers.

Why Choose DCI Edge Equipment?

Built and Crafted in the USA: All DCI Edge equipment and cabinetry are proudly designed and assembled in the USA. Our products are designed, developed, and assembled at our facilities using high-quality DCI components, enabling us to deliver exceptional quality to our customers.

Efficiency and Value: We use a lean and efficient business model that allows us to offer products emphasizing the features customers value the most while maintaining exceptional quality and affordability. Additionally, we strive to reduce complexity in every aspect of product design, resulting in streamlined and efficient engineering that benefits our customers throughout the lifetime of their investment.

Unmatched Customer Assurance: To support your success and provide peace of mind, we proudly offer a ten-year warranty on all our equipment. Additionally, our dedicated team of equipment experts is available to assist you with any troubleshooting needs. We are committed to supporting you well beyond installation, ensuring you can rely on DCI throughout the entire lifespan of your equipment.

It's Your Practice. It's Your Budget.

Keep your options open. DCI Edge offers all the equipment you need at a price point that enables you to optimize the design and function of your operatory without compromising on quality.

DENTAL CHAIRS

CHAIR FEATURES

CHAIR FEATURES	SERIES 5	SERIES 4	BENEFITS
AirSoothe™ Massage Technology	X		This innovative option is designed to prioritize patient comfort by utilizing four proprietary air cushions, providing a relaxing experience that leaves patients feeling rejuvenated and at ease.
Bluetooth chair diagnostics	X	X	Use your phone to connect to the DCI chair to troubleshoot, program, and update the firmware. Helps to eliminate downtime and expensive service visits.
Hydraulic motor	X	X	All hydraulic movements ensure a quiet yet strong performance. Each chair is tested with 600 lbs before it leaves the DCI factory in Newberg, OR.
60° Swivel	X	X	Access and flexibility.
Foldout armrest movement for patient entry & exit	X Upholstered	X	Armrests rotate 170°, giving patients easy entry and exit. Armrest acts as hand support for patients.
Push-button dual articulating headrest	X	X	Standard on all DCI chairs, the push button dual articulating headrest allows easy positioning of the oral cavity.
Accelerometer chair position sensors	2	2	Utilizing the same advanced technology used in a cell phone to maintain preset positions accurately and reliably. Older mechanical technology is the number one point of failure for most dental chairs.
Soft start and soft stop	X		Soft start and soft stop technology eliminates abrupt chair movements.
Thin & narrow ergo backrest	X	X	Facilitates unencumbered access to the oral cavity.
Headrest back scoop	X		Headrest back scoop improves flexibility when positioning headrest for smaller patients, while providing shoulder support for larger patients.
Upholstery set designed with multi-layer system	X		Pure comfort cushions utilize multiple material layers, including memory foam, to achieve the ultimate in patient comfort.
Base	Powder-coated cast ductile iron	Powder-coated high-quality laser cut steel	The Series 5 contoured cast iron base eliminates wobbling and instability of a flat base plate.
Heavy-duty cast chair structure	X		Minimizes shaking and enhances stability of the chair.
Integrated fine adjustment tool kit	X		Easy access to adjustment tools within each dental chair.
Chair at the lowest height	15"	16"	One of the lowest dental chairs allows a shorter practitioner to position the patient while facilitating proper ergonomics.
Chair at the highest height	30"	30"	The height of the chair supports stand-up dentistry.

Series 5 Chair

AirSoothe™ Massage

Optional feature that utilizes four proprietary air cushions to provide patients with an optimized relaxing experience and overall ease.

Serenity Seating

Premium comfort with multiple layers of specialized foam and padded armrests that provide superior support.

Access to the Oral Cavity

Dual articulating headrest ensures maximum comfort for the patient.

Design Appeal

Available in ergo or narrow back, plush or asepsis, in a large variety of colors.

Patient Support

The innovative headrest scoop and back design provides patients with back support regardless of height.

Ergonomics

The thin back allows for ideal positioning with unencumbered access to the oral cavity.

Soft Start and Stop

Adjust your chair without disrupting your patient with smooth start and stop technology.

Series 5 Chair

WARRANTY INFORMATION

All DCI Edge equipment purchased on or after February 20, 2025, that is sold through, installed, and serviced by authorized DCI Edge dealers are guaranteed to be free from defects in workmanship and materials for ten years from the date of purchase

During that period, DCI Edge will provide replacement parts at no charge. DCI Edge will not be responsible for dealer or service company labor charges or shipping charges to the DCI Edge factory.

Upholstery is warrantied for five years from the date of purchase. Tubings carry one-year warranty.

This guarantee does not cover damage from normal wear/tear, unintended use, and contact with non-recommended materials.

OEM ancillary devices installed by DCI Edge will follow the original manufacturer's warranty and are not covered by DCI Edge's warranty.

*We reserve the right to make modifications of parts without the need for prior notification.

*Service parts are not covered under this warranty.

FREIGHT DAMAGE

This guarantee does not cover damage resulting from improper installation, misuse, or accidents incurred in shipping and handling. All claims against the freight carrier must be initiated at the time the damaged items are received. The claim is the responsibility of the customer.

WARRANTY EXCLUSIONS

DCI is not responsible for any repair or replacement that is required as a direct result of:

- Damage caused by neglect, flooding, fire or any other improper use
 - Normal wear and tear
 - Failure to properly maintain the equipment in accordance with DCI's approved cleaning agents, maintenance schedules and service instructions
 - Repairs using methods that have not been approved by DCI
- Failure to use genuine DCI parts
