Why DCI?

Designed and Built In the USA

All DCI Edge equipment and cabinetry are proudly designed, developed and assembled at our USA facilities using high-quality DCI components, enabling us to deliver exceptional quality to our customers.

Unmatched Customer Assurance

To support your success and provide peace of mind, we proudly offer a ten-year warranty on all our equipment. We are committed to supporting you well beyond installation, ensuring you can rely on DCI for the lifespan of your equipment.

Efficiency and Value

We use a lean and efficient business model emphasizing features customers value most while maintaining exceptional quality and affordability. Reducing complexity in every aspect of product design results in streamlined engineering that benefits our customers throughout the lifetime of their investment.

Terms and Conditions: Dentists starting their first practice and making their initial equipment purchase are eligible for the program. The discount is available for initial equipment purchase and additional purchases made within two years, when purchased through the same dealer. Dentists qualify for savings in years 3-4, based on DCI's tiered price program and the level of their retail purchases for the first two years. Program pricing examples are shown in USD. The 25% discount excludes NSK Electric Motors and Handpiece Bundles. Program may not be combined with other promotions and is subject to discontinuation or change.
