

DCI Edge First Practice Program For Orthodontic and Pediatric Practices

Opening an orthodontic or pediatric practice is an exciting milestone—and one that deserves the right foundation.

The **DCI Edge** First Practice Program was created to support you every step of the way as you build a practice designed to grow with your patients.

DCI Edge dental equipment helps stretch your startup budget, allowing you to invest confidently in quality equipment and advanced technology that support efficiency, comfort, and long-term practice growth.

Why DCI?

Designed and Built In the USA

All DCI Edge equipment and cabinetry are proudly designed, developed, and assembled at our USA facilities using high-quality DCI components, enabling us to deliver exceptional quality to our customers.

Unmatched Customer Assurance

To support your success and provide peace of mind, we proudly offer a 10-year warranty on all our equipment. We are committed to supporting you well beyond installation, ensuring you can rely on DCI for the lifespan of your equipment.

Efficiency and Value

We use a lean and efficient business model emphasizing features customers value most while maintaining exceptional quality and affordability. Reducing complexity in every aspect of product design results in streamlined engineering that benefits our customers throughout the lifetime of their investment.

Terms and Conditions: Dentists starting their first practice and making their initial equipment purchase are eligible for the program. The discount is available for initial equipment purchase and additional purchases made within two years, when purchased through the same dealer. Dentists qualify for savings in years 3-4, based on DCI's tiered price program and the level of their retail purchases for the first two years. Program pricing examples are shown in USD. Discount excludes NSK Handpiece Bundles. Program may not be combined with other promotions and is subject to discontinuation or change. PJT1644
